Barnden financial Services is the data controller registered under the Information Commissioners Office Z2672512. We are committed to protecting and respecting your privacy. Please read our privacy policy which has been issued to you and is available on our website (www.barndenfinancial.co.uk) which details the information we collect from you, or that you provide to us, how it will be processed, and your rights.

It is recommended that you review the products taken to ensure they continue to meet your needs and remain competitive. This could be for example when the mortgage product you have taken is expiring, resulting in you potentially paying a higher amount under the lenders standard variable rate, or any insurance to cover your property or mortgage, should you suffer a loss.

With your consent we may also provide your contact details to selective third parties in order to supply products which we do not offer. We will only do this on your request and we will make you aware who the third party is if this has not already been disclosed.

As part of our service we can contact you via post, e-mail or telephone prior to expiry of your product, or regarding any new products and services we offer which you may be interested in.
